Colleagues,

As we plan for the post-Fall Break period we are seeking information from colleges and other units about needs for access to campus spaces.

The first attachment is a spreadsheet to facilitate your information gathering and communication back to us. We need this information by Wednesday, Nov. 11th at noon.

The second attachment is a narrative describing the planning that the Teaching Team has undertaken in collaboration with other groups regarding campus after the break.

Thanks,

Kelly and Ben

Should I go ahead and send this spreadsheet about buildings to the deans/others or should it come from Mary.
