Dear Miss Arellano:

We recently received your request for information about sugar. Thank you for requesting this information from Great Western.

We do not send out sugar samples, but I am enclosing several pamphlets which should answer most of your questions about sugar and how we make it.

I want to wish you luck with your school project. If we can answer any other questions for you, please don't hesitate to contact me.

On behalf of everyone here at Great Western Sugar, I wish you and yours a very happy and prosperous year in 1971!

Sincerely,

Charlotte McDaniel
Public Relations Representative
