Dear Mrs. Polzin:

Please forgive our delay in answering your letter of November 14. We have been in the process of reorganizing our consumer correspondence department, and your letter was somehow caught in the change over.

The "refunding" plan which you refer to was a coupon offer which we recently ran, but which has expired. The offer stated that if a consumer presented proof of purchase of two bags of GW granulated sugar, he would receive a coupon good for one free bag of sugar of the same size as the two previously purchased. As I mentioned above, this offer has now expired.

Thank you for contacting Great Western Sugar. We are always delighted to be of service to our consumers.

On behalf of everyone here at Great Western, I wish you and yours a very happy and prosperous year in 1971!

Sincerely,

Charlotte McDaniel
Public Relations Representative
