The Great Western Sugar Beet Co.,
Denver, Colo.

Gentlemen:

A client of mine, Mr. Wm. J. Godtel has a patent on a LIFTER AND TOPPER which he is desirous of disposing. An official patent copy is enclosed for your inspection. Would be pleased to forward further particulars if interested.

Yours very truly,

GEORGE V. BORES

GVB:MC

P. S. If not interested, please return patent copy. Postage enclosed.

Mr. George V. Bores
112-07 Roosevelt Avenue
Corona, Long Island, New York

Dear Sir:

I have your letter of March 10, together with a patent 1,723,777, covering a beet topper as invented by Mr. William J. Godtel.

We have examined this patent and as we are not interested we are returning same as per your request.

Yours very truly

Geo. W. Rienks
