Mr. Claud Fleet
Great Western United
716 Metro Bank Building
Denver, Colorado 80202

Dear Claud:

Here are samples of four-color process on 100# dull coated stock, and the 24# Parchtex. It's apparent to me that whoever said Parchtex received color "exquisitely" must have been out of his tree. Dull coat is the thing for you, me Bucko.

Sincerely,

Bill Nye
