THE
FIRST FIFTY YEARS
 WITH
FRED WARING
 and the *PENNSYLVANIANS*

Half a century of musical achievement has gone into the making of this latest and most significant Fred Waring production. It commemorates fifty years—the first fifty years, Fred points out—of playing to audiences across the nation. This anniversary edition is a cavalcade of melody in the unique Waring manner, spanning the five decades that have seen the sound of the Pennsylvanians emerge as the most enduring and popular sound in entertainment history.

Here to recreate many of the magical moments of the past will be all the Pennsylvanians. Returning favorites will be augmented by the newest Waring discoveries. Familiar songs that have been firmly emblazoned with the Waring hallmark will

share the stage with the newest songs of the day—given the unmistakable Waring treatment.

Here is an entertainment gala for all the family—as exuberant and spontaneous as the young quartette from Tyrone, Pa., that evolved into the world's most thrilling musical organization. As timeless as the spirit of America that has found such unique interpretation in the sound of the Pennsylvanians. And as new as tomorrow. For Fred Waring is more than a man of his time—he is a musical magician for all time.

Make a point of being there for “The First Fifty Years”, the live stage presentation that promises to be the entertainment highlight of the season!
