Gentlemen:

We would be very glad to know whether you have had an opportunity to see the beet topping device invented by Francis S. Hill demonstrated and what your reaction was to it. Mr. Hill's attorney R. H. Galbreath of Denver is endeavoring to interest us in this device and we would value any opinion you may give us regarding its efficiency and practicability. Anything you tell us will of course be held in strict confidence.

Thanking you for any assistance you may care to give us, we are

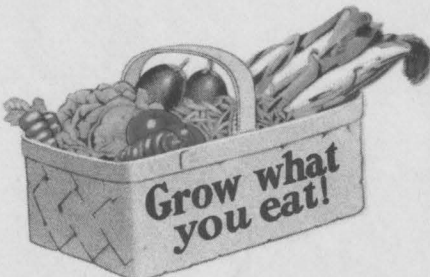

Yours very truly,
