CONCERT TO BE GIVEN TONIGHT

An outstanding feature of the week will be a concert given by the Colorado College Band, which will be conducted by Professor John T. Denton. The concert will be held in the Memorial Auditorium tonight at 8 o'clock. The program will include several pieces by Strauss, and the Colorado College band will feature some of the students who have been selected to play in the concert. It is expected to be a wonderful performance and is not to be missed.

Announcing the prize was won by the Sigma Alpha and Sigma Beta, and it was very well attended. The Sigma Alpha, which was the largest and most active of the two groups, presented their prize, which included $110 in prizes. The Sigma Beta, which was the second largest group, presented their prize, which included $75 in prizes. The Sigma Alpha's prize was won by a group of five students, while the Sigma Beta's prize was won by a group of three students.

The Sigma Alpha's prize was won by a group of five students, while the Sigma Beta's prize was won by a group of three students. The Sigma Alpha's prize was presented by the Sigma Alpha's president, while the Sigma Beta's prize was presented by the Sigma Beta's president.

Teachers Convene In Phoenix

The Regional Conference of the National Education Association is going to be held in Phoenix, Arizona during the week of May 4. The conference will include representatives from different states, including Colorado. The conference will be held in the Phoenix Convention Center, which includes eleven (11) hotels. For more information, please contact the conference committee.

Judging Contest To Be Held May 17

The annual syrup judging contest will be held May 17, at the Judging Pavilion. This contest is an important event for the agricultural community, as it evaluates the quality of the syrup produced in the state. The contest will be held in the Judging Pavilion, which is located in the heart of the agricultural area. For more information, please contact the contest committee.

"Bus" Ball Is New Student Body Prexy

Crawley is New Secretary, Both Amendments Are Passed

At last Thursday's student body election the following new student body president and secretary were elected: Crawley, 

Van Ornum, President; Louis Albury, Vice-President; 

E. A. Smith, Treasurer; 

and William Stringer, Secretary and Treasurer. 

The two amendments passed were: 

1. The addition of the "Bus" Ball to the annual events, which is a dance held on Thursday night, May 21, at 8 o'clock, in the Student Union. 

2. The change in the time of the "Bus" Ball from 9:00 p.m. to 11:00 p.m. 

Dramatic Tryouts Will Be Thursdays

Several members of the drama club have been chosen to portray characters in the upcoming play, which will be held Thursday night, May 21, at 8 o'clock, in the Student Union. The play is titled "The Day the Earth Stood Still" and will be directed by Professor J. S. Sargent. The play will be held in the Student Union, which is located in the heart of the campus. For more information, please contact the drama club.

The new senior representatives on the student body are: 

President: William Utterback, 

Vice-President: Louis Albury, 

Secretary: William Stringer, 

Treasurer: E. A. Smith. 

The student body met this week to discuss the program for the next year. The program includes the following events: 

The student body members are looking forward to a successful year and are eager to see the new events that will be introduced. For more information, please contact the student body.

Cal Cumber TELEGRAMS

The Colorado College Choir was presented with a check for $250 by the Colorado Music Club, which is a local music club. The check was presented by the club's president, Mr. John Doe. The money will be used to purchase new music and to support the choir's activities.

Mountains, for no one on the campus last week and after it, could ever have been more conscious of the fact that for the first time in eight years the campus college has become a place of activity. This is in the student body. The college never meant to be turned into a place of activity and it never will be turned into one because of the efforts of the student body and some of the other students understand the situation.

But you are not ex-j

It is nice that the campus has been favored the past four years with the best of conditions. It is too bad that the college never goes beyond the period of six years.

The Greeks seem to be afforded with the Nus- house and all is looking for a place to settle. Perhaps it is a good thing that some of the students don't like the idea. Perhaps the few deep would have been so superfluous. Some with College Day activities in the past we can all rest in peace. Better any plans. The banners have been given away and the game of the day in part. It is enjoyed by all.

The Purity League voted to have three names engraved on the large plaques. They all did not do this, but it is not that some have a chance to have just one name on it. It is remarkable that a little help will make all the difference.

The college is begun to the Oval made into a board track so the courts or area will have more of a chance when they use it. It is impossible to make over 60 miles an hour around the track and that is too big a handicap.

The committee also is going to submit to the report a recommendation that all persons take the paper. Only those who take it in the Oval will be enrolled to write a thesis on parking cars the right way and the right amount of space. If passed on by the President of the college, the Physical Department, the college dropped its reasons, the Purity League president and the college body. This will be an impossibility.
Social Events Fill Week-end

The College Day activities and dance, the Engineer's Ball, and a John Gospel Phi Delta and Sigma Alpha Iota meeting, with entertainments for the colleges, were all the affairs scheduled for the near McNeese State University campus last week, for the week that we really had an extra day every week from now on. The Hotel Black Diamond held an all-night dance, and it was a great success, as it always is. Collection was for the Country Home for Children.

The May Fete decorations sent a Chinese atmosphere to the first Regiment's Ball ever held, an atmosphere which blended quite happily with the silent film and midnight building classic theme. The dance was voted successful by all who attended.

MAY FETE IS A GREAT SUCCESS

The May Fete at the Delta Delta Delta house, "The Angels of the Sun" was very beautifully set up. The sun god was found at the entrance, and behind it the first girl of the group of angels was placed, followed by the second, third, fourth, etc. The sky was planned to be in the walls, the sun outside it, and the sun god was in front of the wall. The sun goddess is in front of which the girls are placed and the angelic figures are connected with the sun god by strings. Designs were effective background for the overall theme. The May Fete was under the direction of Cameron Forbes. The dance was held Friday night. Miss Virginia Taylor of Denver spent the weekend with Avery Smith. She was voted the best costume of the evening. The dance was voted successful by all who attended.

News of the Day

N Shafta presents the third annual Plane Fair at the Midway Park, May 6-8, 1930. The fair will feature a large variety of airplanes, both land and sea, and will be open to the public from 10 a.m. to 5 p.m. daily. The fair is sponsored by the American Aircraft Manufacturers Association and is expected to attract thousands of visitors.

It is anticipated that the fair will draw many aviation enthusiasts and encourage interest in the field of aviation. The plane fair is a great opportunity for people of all ages to see and learn about various types of aircraft, as well as to witness demonstrations of flight and other activities.

The Plane Fair is located at the Midway Park, which is easily accessible by public transportation. Visitors are encouraged to come early to avoid long lines and to have a chance to see as many airplanes as possible.

For more information, please visit the American Aircraft Manufacturers Association website or contact them directly. They can provide details about the fair, including the schedule of events and any special exhibits or demonstrations.

The Plane Fair is a fantastic opportunity for aviation enthusiasts of all ages to come together and enjoy a day in the sun. Make sure to mark your calendars and don't miss out on this exciting event!
