April 30, 2003

Dear Member,

You will find enclosed a membership list, a membership waiting list, new dashboard and billfold cards for the Sanger Fishing Club. This is the first year of our new two year agreement with Chuck and Bobbie Sanger for fishing privileges on the ranch.

It looks like at this point that we will have a more normal runoff year than what we had last year. Snow pack figures for this area were last reported to be about 85% of normal, which is quite a bit better than last year. Time will tell.

Matt Thomas decided not to renew his membership. He has been replaced by Joe Yrisarri, who is a small animal veterinarian from Denver. He has been a guest of Jerry Hynek on several occasions, so he is familiar with the Club. I am sure he will be a welcome addition to our membership.

If you have any questions, please give me a call.

Sincerely,

Tom Gebbie

Dear Members,

You will find enclosed your Membership list for 2002 and the New Member waiting list. We had two members drop out, Nick Kosmicki and Lee Elsesser. They were replaced with two perspective members from the waiting list, Greg Felderman and Charlie Shoop. Greg works for IBM in Denver and is a close friend of the Scott Thomas family. Charlie is Mike Shoop's son and has been to the Ranch fishing on numerous occasions with his dad.

I drove over yesterday to deliver the checks to Bobbie and Chuck. They are in the middle of their Spring calving chores and are very busy. Since I started taking checks over in 1993, I have never seen the snow pack so low and the river so low at this time of year. I would have to say the river looks like mid-August on a normal year. I fished in the afternoon for about three hours. It was very windy, but I caught a good number of fish and they looked healthy, fat and were full of fight. My suggestion is, if you decide to come fishing in the next two weeks, would be to call Bobbie the evening before and see how conditions are. They could be different from what I experienced yesterday.

Although we did not have a very good response to the Annual BBQ last year, the Sangers' and I have set a tentative date of Saturday, August 10th. We plan to have our usual fishing contest in the afternoon with a catered dinner afterwards. It is a fun time, mark your calendars. More information to follow, as we monitor the river conditions.

If you have any questions, please give me a call.

Sincerely,

Tom Gebbie

Dear Bill,

Sorry, I missed your phone call the other day. Venusia said she enjoyed talking to you, as I always do. Nick Kosmicki said that you and she were planning a trip to Big Reef in the middle of the month. I hope it is as successful as the one you and John had on your birthday last year. Please stop by, if you have a chance.

Your Friend,

Tom Gebbie
MINUTES OF THE ANNUAL MEETING OF THE MEMBERS OF THE SANGER FISHING CLUB

The annual meeting of the members of the Sanger Fishing Club was held at the Greeley Country Club on the evening of Wednesday, January 19, 2000. Twenty-two members of the 28 were in attendance. Chuck Sanger also attended the meeting. Tom Gebbie assumed the responsibility of conducting the meeting.

Prior to the official commencement of the meeting, Gebbie proudly presented photographs of the "hog with fins" caught on a recent fishing trip to the Bahamas.

New members, who were put in place prior to the meeting, are Mark Shoop, Bob Murphy, Randy Willard, and Todd Lanning. Mark and Randy were in attendance.

Chuck Sanger agreed to enter into another three-year lease with the club. Annual dues will increase to $850. In addition, the guest fee is increased to $50 per day. Guest policy was changed to make the number of guests unlimited. This will be monitored to determine whether the removal of limits poses a problem.

Please make the checks out to Chuck Sanger. Mail them to Tom Gebbie, Post Office Box 305, Centennial, Wyoming 82055. The checks need to be received by April 15th, but do not mail before April 1st.

Bob Ruyle has acquired gates for places on the river where members have need to cross the fences, such as Pine Tree Hole; east side of river at Cement Hole; and east side of river at Harry's Hole. Chuck Sanger will get them installed. Bill Lanning has volunteered to repaint the "No Trespassing" signs.

With respect to the sign-in, it is on a "first come first serve" basis. The member must sign in for a specific area of the river and include in the remarks column the approximate time the spot will be vacated. If a member wishes to relocate on the river, it is necessary to sign in again. Chuck Sanger suggested that if family members are fishing, please name them individually on the sign-in register. If camping on the BLM land at the north end of the ranch, a member can sign in for as many as two days to keep from returning to the ranch headquarters to sign in again.

The next annual fishing contest and BBQ will be held August 12th or 19th. No guests until it is determined that the event is not full. Bensler is the
Chairman again, and any assistance will be welcome. No fishing after noon on the day of the fishing contest, which will commence at 3:00PM.

In a moving speech, W. D. Farr announced that he would resign from the club, after fishing there for nearly 70 years, to make room for one of the younger members on the waiting list. It was acknowledged that if it were not for W. D. Farr and Harold Jones, the club would likely not be in existence. Matt Thomas is the next on the list and is now the newest member.

No further business came before the meeting and it was adjourned.

Respectfully submitted,

Robert A. Ruyle, Secretary
To: All Sanger Fishing Club Members
From: Mike Shoop
Date: June 9, 1999

Years ago we formally adopted a “catch and release” policy for the club even though most members already practiced this method of fishing. I think we can all agree that the quality fishing we have is due in part to our policy. Along those lines, I thought you all might enjoy this guide to proper “catch and release” methods.
Catch & Release Fishing

Much of the information in this "catch & release" guide comes from a brochure produced by the University of Alaska Sea Grant College Program, the Alaska Department of Fish and Game, The National Park Service, and the U.S. Fish and Wildlife Service.

Fish are one of our greatest renewable resources. The popularity of catch and release sport fishing, which helps protect that resource is growing along with the population of anglers. A fish that is handled gently and released quickly by a skilled angler has a good chance of surviving. By practicing catch and release fishing, today's anglers preserve quality fishing for the anglers of tomorrow.

Your Gear:
Use artificials to catch fish that you plan to release. Hooking mortality in fish is much lower if caught with artificials instead of bait. Take care to select a hook size appropriate for the size of the fish you will be catching. Use barbless hooks when you plan to release fish. Pliers or hemostats can be used to pinch down barbs on hooks. Overly large hooks can cause excessive damage to mouth parts or eyes. Small hooks may be taken more deeply by fish.

Playing Your Fish:
Play and release your fish as quickly as possible. A fish that is played to the point of exhaustion may not survive. Use a rod, and leader of sufficient strength to easily land a fish.

Landing a Fish:
When you are about to land the fish, try to avoid removing it from the water. Keep the fish in deep enough water to protect it. Do not let a fish flop in shallow water over rocks and never on dry land.

When fishing from a boat or raft, using a net can reduce landing time. Nets made of knotless nylon are the least abrasive to fish.

Handling Fish:
Keep the fish in the water as longs as possible while handling. The longer the fish is out of water, the greater the probability that it will die. Cradle the fish gently with two hands, one supporting the belly and the other hand just ahead of and underneath the tail section. Holding a fish up side down by its tail may break its back.

Keep your fingers out of and away from the gills of any fish. Gills are delicate and full of blood vessels. Once a fish begins bleeding from the gills, it is likely to die.

Never squeeze a fish. Pressure against a vital organ will often prove fatal. Use soft, wet gloves or at least wet your hands before handling a fish.

It is better to release the fish at the boat without ever attempting to lift it out of the water. A fish can be severely injured when being lifted out of the water or when flopping in the boat. If necessary, it is better to break your line than to needlessly wrestle with a fish.

If you wish to photograph a fish, have a camera ready and do it quickly. Get someone else to take a picture or to hold the fish. If possible, keep the fish in the water by cradling it or by keeping it in a net.

Removing the hook:
Always try to remove the hook quickly and gently, keeping the fish underwater. Firmly grasp the hook with your fingers, or better yet with long-nosed pliers or hemostat, and roll or back the hook out of the fish’s mouth. Most of the time it will not be necessary to touch the fish. Barbless hooks make removing the hook much easier and reduce the likelihood of injuring a fish.

When a fish is hooked deeply, never attempt to force or pull out the fly or lure. Cut the leader as close to the eye of the hook as possible and revive the fish as described. The hook will eventually dissolve or rust away.

Reviving and Releasing Your Fish:
Never throw, drop, or kick a fish back into the water. Cradle it gently, well behind the gills and lower it back into the water.

Revive a stream fish by pointing its head into the current until its gills are working and it maintains an upright position. In slow water or still water some fish might need to be revived by "walking" them for a few minutes. To walk a fish, move upstream from other anglers, cradle the fish in the water, and gently move it back and forth. As the fish recuperates, its gills will begin to work strongly.

It may take some time to revive a fish. Large fish often require more time since their struggle to escape may have left them exhausted and in shock. When the fish pulls against your hand, release it. Don’t be alarmed if the fish swims off slowly. If the fish takes off quickly, so much the better.

Do everything you can to help a fish swim away before you leave it.
April 30, 1999

Dear Members,

Enclosed is a new membership list and a membership waiting list. You will note, that we have two new members. Mark Shoop has agreed to take Carol Andrews membership, and Ann Austin has transferred her membership to her son, Randy, who lives in Ft. Collins.

Apparently, we had a pretty mild Winter going, until I returned from Florida on April 1st. On April 22 & 23, we had approximately 30" of snow, so that may change the snowpak and runoff conditions for this Spring & Summer. I am still hoping we will be fishing earlier this year, than in the past two seasons.

Give me a call, if you have any questions or concerns. See you on the River.

Sincerely,

Tom Gebbie

Dear Tom,

It is now April 1, 1999. I hope you and Vernine had a great two months in Florida and had some nice fishing experiences.

My check for $2,800.00 is enclosed payable to Charles Sanger for four memberships.

William D. Farr
John Farr
William Farr
H. Richard Farr

The snow pack is only about average. The weather has been above normal all winter. Run off should be a little early and not too big.

Will see you at Sanger’s before too long.

Sincerely,

W. D. Farr

WDF/ss

Encl.
MINUTES OF THE ANNUAL MEETING OF THE
MEMBERS OF THE SANGER FISHING CLUB

The annual meeting of the members of the Sanger Fishing Club was held at the Greeley Country Club on the evening of Wednesday, January 20, 1999. Fourteen members of the 28 were in attendance. Chuck Sanger also attended the meeting. Tom Gebbie assumed the responsibility of conducting the meeting.

Prior to the official commencement of the meeting, Gebbie gave a delightful presentation of his recent fishing trip to Argentina. Time was also found to throw jest at Ruyle on a number of occasions.

Tom Gebbie read a very nice letter from Carol Andrews, who stated that she would resign from the club. She wished her replacement the same type of enjoyment that she and Harry had over the years. Mark Shupe is first on the waiting list and will be extended an invitation to join the club.

Annual dues will remain at $700. Please make the checks out to Chuck Sanger. Mail them to Tom Gebbie, Post Office Box 305, Centennial, Wyoming 82055. Do not mail before April 1, 1999.

This is the last year of the current lease. Chuck Sanger stated that he enjoyed the club members and that he intended to renew the lease with the club. Tom Gebbie will meet with Chuck at the end of this season to formalize the new lease.

Stiles or gates, that is the question. There are three places on the river where members tend to cross the fences: west side of river at Pine Tree Hole; east side of river at Cement Hole; and east side of river at Harry's Hole. To keep from weakening the fence and tearing waders, Chuck Sanger and Bob Ruyle will study which is the best solution, and the club will pay for either the stiles or the gates.

The next annual BBQ will be held August 28, 1999. No guests until it is determined that the meeting is not full. Bensler is the Chairman, and any assistance will be welcome.

There was considerable discussion regarding guest policy, but it was eventually determined to leave current policy in place.

No further business came before the meeting and it was adjourned.

Respectfully submitted,

Robert A. Ruyle, Secretary
March 16, 1998

Tom Gebbie
P.O. Box 305
Centennial, WY 82055

Dear Tom;

I enjoyed our phone visit on March 15. I was so glad to hear about your good fishing trip.

It is nice to know how smoothly the Sanger Fishing Club is running. Both from the standpoint of the members and also the Sanger family.

I am enclosing my check to the A Cross Ranches for $2,800.00 the 1998 membership of W. D. Farr, John D. Farr, Wm. R. Farr, and H. Richard Farr.

I also enclosed my vote. I am not in favor of the motion.

Sincerely,

W. D. Farr

January 5, 1998

SANGER FISHING CLUB
6TH ANNUAL DINNER MEETING

Dear Member:

We will be holding our annual dinner meeting for the Fishing Club in February. The arrangements will be the same as in the past with non-members of the Greeley Country Club being able to pay for their dinner and refreshments.

As most of you are probably aware, two long standing members, Harry Andrews and Ernie Austin, passed away in December. They were great guys and we will all miss them. So, along with discussions about the "Summer Bar-B-Que", and club rules, we will be discussing the replacement of these two fine men in the Fishing Club.

I have enclosed a copy of the dinner menu and a self-addressed, RSVP post card. Please return the card no later than February 6, 1998. See you at the meeting.

Sincerely,

Tom Gebbie

ARRANGEMENTS:

Baked breast of chicken with Italian bread crumbs, rich marinara, and aged Parmesan cheese on a bed of linguine.  
$9.95
MINUTES OF THE ANNUAL MEETING OF THE MEMBERS OF THE SANGER FISHING CLUB

The annual meeting of the members of the Sanger Fishing Club was held at the Greeley Country Club on the evening of Thursday, February 26, 1998. Eleven members of the 28 members attended. There was a lack of quorum. Chuck Sanger also attended the meeting. Tom Gebbie assumed the responsibility of conducting the meeting.

Gebbie circulated some information from the local newspaper which reported a low snowpack in the North Platte drainage area. Gebbie also circulated a review of the Sanger Fishing Club guidelines dated February 1998. A copy is attached to these minutes for reference. The Sanger Fishing Club guidelines were reviewed. Special emphasis was placed on the rules concerning family members, guests and grandchildren which is covered in paragraph 10.c. of the Guidelines.

Gebbie advised the members that Harry Andrews and Ernie Austin had both died since the last annual meeting. Gebbie read a nice letter from Carol Andrews advising the club she intended to keep Harry's membership and sent her check in the amount of $700 for the 1998 annual dues. Bob Ruyle advised the group he had spoken to Annie Austin. She advised him she intended to take over Ernie's membership and would pay $700 for the 1997 dues.

The members and Chuck Sanger reviewed the rule concerning when a new $500 membership fee under paragraph 10.b. of the Guidelines would be applicable. It was agreed when a wife took over the membership no fee would be due. However, if an adult child took over the membership, a new membership fee of $500 will be charged.

The club reviewed provisions for the guest contained in paragraph 9.d. of the Guidelines. A minor change was made to paragraph 9.d. The new version of paragraph 9.d. reads as follows: "Member must accompany other family members or guest(s) on the ranch." (February 1998).

Dan Wheeler suggested the club be limited to 25 members and that the reduction of membership be attained through attrition. Dan Wheeler indicated this was John R.P. Wheeler's intent before he died. Gebbie reviewed the 1995 club minutes which provided the members agreed to keep the club at 28. Chuck Sanger advised he had no objection to keeping the club at 28 members. Dan Wheeler requested that Gebbie present the issue to the members within the next three weeks and have a vote on whether to limit the membership to 25 by attrition.

The annual club barbecue and fishing contest was discussed. Butch Carlson and Mike Shoop agreed to take responsibility for handling the barbecue and fishing contest. The members agreed to have the barbecue on Saturday, August 22, 1998. Chuck and Bobbie Sanger were invited as well as Ladd and Shawndra and friends.

No further business came before the meeting, and it was adjourned.

Respectfully submitted,

Robert A. Ruyle, Secretary
REVIEW OF SANGER FISHING CLUB GUIDELINES
February 1998

1. Pick up and carry out all trash and litter.
2. All gates that are closed are to be left closed.
3. Do not disturb livestock.
4. No camping or campfires on the ranch.
5. No pickup campers, camper or motorhomes on the ranch.
6. No hunting.
7. Sign in at the ranch each day and designate a fishing area.
   a. Sign in for an area is strictly on a first come first serve basis and for that particular day only. You can only sign up for one area at a time. (February 1996)
   b. If you change fishing areas during the day, you must return to the ranch house and sign in for your new area. (February 1997)
8. Sanger Fishing Club dashboard card must be put on display before leaving the vehicle to fish. This aids ranch personnel in patrolling the ranch for trespassers.
9. Guest policy.
   a. 3 guest per year. (February 1995)
   b. Guest Fee - $35.00 per day, per guest, payable at sign in. (April 1989)
   c. No guest permitted on 4th of July or Labor Day weekends. (February 1995)
   d. Member must accompany guest or guests to the ranch. (February 1995)
   e. No more than 2 guests at any one time. (February 1995)
10. Membership
    a. 28 active members. (February 1995)
    b. Waiting list - 22 (February 23, 1998)
    c. Family Members - A wife, son or daughter may use the members membership at no charge, as long as they are living at home or attending school. If they (son or daughter) are married or financially independent, they are no longer considered for family membership in the Fishing Club and must be treated as guests and paid for accordingly. Grandchildren may fish without charge until the age of 14. (February 1993)
    d. New members to the Fishing Club will be assessed a one time initiation fee of $500.00 plus that year's dues. (April 1989)
    e. A member living or deceased may pass his membership on to an immediate family member (wife, son, daughter). (Feb 1994)
    f. A membership may not be sold.
11. Lease - 1997 thru 1999
    a. Annual dues $700.00; payable April 15th; check to be made out to "A Cross Ranches".
    b. Checks and Correspondence to be sent to:
       Tom Gebbie
       P.O. Box 305
       Centennial, Wyoming 82055
April 24, 1998

Dear Fishing Club Member,

You will find enclosed the 1998 Membership List and 1998 Membership Waiting List. Also enclosed, is a short story about a would be fly fisherman and fly tyer. Believe it or not, a good friend of mine had a similar experience.

I am sure that most of you are wondering about Dan Wheeler's motion to reduce the Club membership to 25 members. We had 24 members who voted. The motion was defeated 13 to 11. It was a close vote, and my suggestion is that we do not vote on such measurers until we have had a complete and thorough discussion of the issue. I don't think some members realized what an effect going to 25 members would have had on the Membership Waiting List, additional cost to remaining members and the actual or real reduction of fishing pressure on the river.

In the interim, I received a letter from Mike Peetz saying that he was resigning his membership in the Club. Apparently, Mike and his family have a new mountain home, and they plan to spend their time there. Steve Ruyle was #1 on the Membership Waiting List, and he has agreed to join the Club. Steve and his wife Stephanie are both physicians in Denver. Steve is a Urologist and Stephanie is a Pediatric Pathologist. They have a son, Bridger (age 3), and are expecting another addition shortly. Steve has fished at the Ranch with his father and is familiar with the workings of the Ranch and Fishing Club. They are a welcome addition to our Club.

Please call me if you need anything (except money), or want to discuss any Club business. See you at the Fishing Club Bar-B-Que on August 22, 1998.

Sincerely,

Tom Gebbie
March 7, 1998

Dear Sanger Club Fishing Member:

You will find enclosed a copy of the minutes of our annual meeting which was held on February 26, 1998. As stated in the minutes, a review of Fishing Club rules is also included.

A motion was made at the meeting by Dan Wheeler to limit the Fishing Club membership to 25 members. Since there were not enough members in attendance, we lacked a quorum to vote on this issue. This motion is included at the bottom of this page. Please vote your conscience and return to me with your dues check. The results of the vote will be sent along with the 1998 members list and 1998 membership waiting list.

Dues will be the same as last year, $700.00. Please make the check out to "A Cross Ranches" and send it to me at the address listed below, to arrive no later than April 15, 1998.

Sincerely,

Tom Gebbie

Awards——

<table>
<thead>
<tr>
<th>Award</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Top Team</td>
<td>Team having the most points</td>
</tr>
<tr>
<td>Second Place</td>
<td>Team having the second most points</td>
</tr>
<tr>
<td>Top Rod</td>
<td>Individual having the most points</td>
</tr>
</tbody>
</table>

Participants——

Members, wives and families of the Sanger Fishing Club. Non-fishing wives, kids and guests are welcome at the barbeque for an additional fee of $20.00 per person.

*Plus special guests Chuck and Bobbie Sanger.*

Judges——

Chuck Sanger, Mike Shoop and Butch Carlson. The decisions, rulings and fly inspections of the judges are final and there will be no exceptions, whining or complaining.

Reservations——

Contact Mike or Butch no later than July 23, 1997.

1997 Committee——

Mike Shoop 970-352-5000
Butch Carlson 303-443-5384
The Rules and the System—

The contest is between teams of two (2) fishers each which will be established by drawing. The section to be fished by each team will be decided at random by drawing. The sections are as follows:

#1  *The Upper Cedars*  from the road south to the A Bar A property line

#2  *The Lower Cedars*  from the road north to the lower end of the island above the French Creek Hole

#3  *French Creek Hoie*

#4  *The Hole (Harry's Hole)*  below French Creek and above the Cement Hole including the west bank approximately 100 yards above the head of the hole

#5  *Cement Hole*

#6  *The Island below Cement Hole down to and including the Barn Riffle*

#7  *From the bridge downstream 300 yards*

#8  *The Pine Tree Hole*

#9  *The Canyon (The Cliff Hole)*

#10 *The Big Hole at lower end of canyon*

Each individual team will decide among themselves how the holes will be fished. Violence will not be tolerated.

Each participant will select one (1) fly, of any pattern and size, wet or dry, with a barbless hook. You may fish only with this selection. You can fish the fly wet or dry. You can use strike indicators. You can change leaders and fly line. You can use weights. If you lose your fly, your points will be deducted, but you may continue to fish with an identical fly and further catches will count. You may not interfere with any other fisherman. All fish will be handled carefully and returned to the river unhurt.
1997 Sanger Fishing Club  
Fishing Contest and Barbeque  
Sanger Ranch  
Saturday, August 23, 1997

The Schedule—

2:30  
Registration for contest  
Headquarters - 1st meadow downstream of bridge (east side).

3:00  
Drawing for partners and for your section of the river. Select your official fly.

4:00  
Commence fishing at your assigned section.

6:00  
Complete fishing.

6:30  
Headquarters - Scoring, happy hour and awards ceremony.

7:30  
Catered barbeque and open bar.

The Contest—

The contest and winners are based upon a point system for each fish caught and released as follows:

<table>
<thead>
<tr>
<th>Description</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Per inch of fish caught</td>
<td>1 point</td>
</tr>
<tr>
<td>Every fish over 16&quot;</td>
<td>10 bonus points</td>
</tr>
<tr>
<td>Keep your fly</td>
<td>20 bonus points</td>
</tr>
<tr>
<td>Lose your fly</td>
<td>-20 penalty points</td>
</tr>

William D. Farr
Box 878
Greeley, Colorado
80632

Dear Mr. Farr:

The Steelhead Society appreciates your generous donation of $100 towards the “cause” of wild steelhead and other salmon. From this amount we have taken $30 for your 1997 membership dues. We hope this meets with your approval. If not, please let us know.

Donations like yours are vital in helping the Society maintain its office and its role as B.C.’s leading advocate for wild salmon and salmon habitat.

The Society remains active on many fronts. The Society’s Habitat Restoration Corporation will help restore more than a dozen rivers, province-wide, in 1996 (Watershed Restoration Program). We remain active in the B.C. Fish Habitat Protection Council, the Treaty Negotiation Advisory Committee, the Skeena Watershed Committee, and numerous other groups and advisory committees. We continue to work on our urban salmon habitat campaign and, with the province, on an environmental assessment of salmon farming. We recently released a widely distributed report documenting mis-reporting of salmon catches in various commercial fisheries.

Thanks again for your donation. It brightens the future of salmon—and anglers.

Sincerely,

Susan Purdom
Office Manager
Cast aside your cares and have a very Merry Christmas

Wishing you a very happy Holiday Season and the best of everything in the coming year! Thank you for the delicious pecans.

Looking forward to seeing you on the Platte river next year! Chad and Bobbie Sanders

Andy Russell
P.O. Box 68
Warenton Lake National Park
Alberta, Canada T0K 2M0

Dear Andy,

As I sit in our trophy room and see my moose head and goat head, I think of you and the great times we have enjoyed together.

In your last letter to me you stated you had just turned eighty years old. I was 86 last May and Judy was 84. We have been married 63 years last June. So we are all senior citizens.

As you know, Judy, started developing Alzheimer’s Disease about six years ago. A few weeks ago I finally had to put her in an Alzheimer’s nursing home. I could no longer give her the care she needed.

So I am in my big house alone and my trophy room is very important.

I have recovered from my bad fall of last year very well. I get around quite easily. My balance isn’t the best but with the aid of my walking stick I have been able to go trout fishing four times this summer with either John or Bill.

You are fortunate that you can still drive. I have had to have a driver for the last six years. He is very helpful.

Our sons are all OK. John is selling his insurance business to his partner and moving from Breckenridge, Colorado to Taos, New Mexico next summer.

Bill got into banking five years ago. His small bank in Eaton has grown extremely well. He is now opening a branch in Greeley. He is very busy.

Dick still operates the feedlot for National Farms. He also is busy.
Randy is still in Grants Pass, Oregon. He has closed his business and is now looking for a job.

Judy and I now have four great granddaughters.

We have had a good crop year and a pleasant summer in this area.

How is your twelfth book coming along? I hope you have summered well and will get another buck with one shot this fall.

My very best regards,

W. D. Farr
days ago. I sure don't feel old!

It took me a few days but I caught
up a white tail buck and nailed him with
one shot. It was pretty close range for I
cought him in the thick stuff. He was a
hybrid cross with a mule deer, which
is not uncommon here.

Have had a busy summer, what with
100th anniversary celebration of Kesterson
Park. They also had a Writer's Workshop
in which I was involved in giving the
Lady Russell Award for the best book
of the year. I am working on my 12th book.

Many Christmas and Happy New Year!

Love,

[Signature]
Dear Bill:

You've seen goats many times but I don't think one was ever this close. This one is a little six on the little kids here in Jasper Park.

I hope this finds you feeling OK. I haven't heard any news from your part of the world for a long time. Tried to phone you but you must have been out.

I'm lucky. I went for a physical examination to get my driver's license renewed last week. They couldn't find anything wrong and I got my license for another two years, which was a surprise for me. I figured it would be every year from now on.

I celebrated my 50th birthday a couple of
Going for the salt. In spring and summer Mountain Goats (*Oreamnos americanus*) sometimes leave the steep cliffs to visit mineral rich licks.

Dear Member:

We will be holding our annual dinner meeting for the Fishing Club in March. The arrangements will be the same as in the past, with non-members of the Greeley Country Club being able to pay for their dinner and refreshments.

After dinner, we will be discussing rules, regulations, annual dues, new lease arrangements and a date for the summer Bar-B-Q. For those of you who missed last summer’s outing, it was a lot of fun, and Bill Lanning and Dan Wheeler did a great job of putting it together.

After the meeting, for those of you who are interested, I will try and have some slides to show of my February trip to New Zealand. Verneine and I are going for three weeks and will have nine days of guided fishing at three different lodges, so it should be an interesting trip. Looking forward to seeing you in March.

Sincerely,

Tom Gebbie

ARRANGEMENTS:
When: Wednesday, March 13, 1996
Where: Greeley Country Club(Board Room)
Time: 6:00 P.M. - Social Adjustment
       7:00 P.M. - Dinner(Order From Menu)
       Meeting Following Dinner(Stag Only)
Dress: Casual
RSVP: Call Tom Gebbie(970-352-5360 - Office)
      No Later Than March 4, 1996

MINUTES OF THE ANNUAL MEETING
OF THE SANGER FISHING CLUB
February 16, 1995

The annual meeting of the Sanger Fishing Club was held at the Greeley Country Club on February 16, 1995.

After drinks, dinner and the customary exchange of barbs on who had been fishing too much during the past year, the business meeting was opened by our self-anointed president, Tom Gebbie.

In attendance at the meeting were members: Tom Gebbie, W.D. Farr, Bill Lanning, Scott Thomas, Mike Frick, Nick Kosmicki, Wes Foster, Rich Mollandor, Mike Shoop, Marion Shoop and Bob Ruyle. Also in attendance was the club’s special guest, Chuck Sanger.

President Gebbie opened the meeting by declaring a quorum. He also introduced the club's guest, Chuck Sanger. A photograph of a large brown which the Sangers found in French Creek was circulated. The fish weighed 11.5 lbs. and was 30.5” long. The fish currently is being mounted for the Sangers.

President Gebbie requested the members review the current guest policy of the club. After substantial discussion, the following policy was adopted:

A. Each club member will be entitled to three guests per year. The guest fee will be $35/day/guest.

B. Each club member’s guest must be accompanied on the fishing trip by the sponsoring member. No guest will be permitted to be sent to the Sanger Ranch without being accompanied by the sponsoring member.

C. If the club member's guest is a husband/wife combination, this constitutes two guests.

D. The member and the guest must be signed in at the club's registration in the Sanger Ranch yard each day before fishing. Club members cannot sign in for the extended duration of a trip which is to last more than one day.

E. Club members will not be permitted to have any guests on the 4th of July or Labor Day holiday weekends.

F. No more than two guests will be permitted at any one time (No Exceptions).
A general discussion of the use of the club's fishing privileges was held. It was agreed our sign-in policy will continue to require signing in each day. Each member is to identify the area of the river which is intended to be fished. Members are not to move into a new area of the river without making sure it is clear of other fishermen who have signed in for that area. Each member is reminded to put the Sanger Fishing Club-dashboard card on the dashboard before leaving the vehicle for fishing.

President Gebbie advised this year's membership would consist of 28 members (the same as prior years). Dues will be $520 per year payable to Sanger Fishing Club on or before April 15, 1995. Upon payment of the dues, a new "orange badge" recognizing the Sanger Fishing Club membership will be sent to each member.

President Gebbie advised the current membership policy is that if a member dies or wants to resign, the member can assign his membership to his wife, son or daughter. If there is no such assignment, the member will be replaced from the waiting list.

President Gebbie expressed the fact the Sangers apparently are not insisting the club membership be reduced from 28 to 25 by attrition. The level of the club's membership was discussed and no one objected to the current 28 level of membership.

The club members reviewed President Gebbie's handout of the new membership waiting list dated February 8, 1995. Copy is attached to these minutes for information.

Bill Lanning discussed last year's one-fly fishing contest and barbecue which was held for club members at the Sanger Ranch. The members agreed a similar event would be held at the ranch on August 19, 1995. Bill Lanning and Dan Wheeler will take the responsibility of organizing the barbecue and fishing contest. Information will be sent to all club members with further details of the event and a requested RSVP so Bill and Dan will know how many members plan to attend the event.

No further business coming before the meeting, the same was adjourned.

Respectfully submitted,

Snowpack at 91 percent compared to last year

The Feb. 1 snow survey measurements taken by the Natural Resources Conservation Service, Forest Service and the Wyoming State Engineer’s office showed the snowpack to be about 91 percent of last year at this time.

This is about 85 percent of the long-term average. The Sierra Madre side was somewhat better at 106 percent of last year and 86 percent of the long-term average, while the Snowy Range side was about 74 percent of last year and 82 percent of the long-term average.

According to the Natural Resources Conservation Service, precipitation data recorded indicated that the total precipitation received at five sites since October 1 is about average at 98 percent.

UW Art Museum awards Saratoga artist

Six University of Wyoming students, including Joe Ellis of Saratoga, received monetary prizes for their entries in the UW Art Museum’s “20th Annual Juried Student Exhibition.”

The competition was juried by Kathy Boal Andrews, museum director of the Arvada Arts Center in Arvada, Colo. Ellis won the $75 Undergraduate Award in the competition. The other winners were Kathryn Villeneuve of Ventura, Calif., who earned the Best of Show award worth $100; Ronna Nemitz of Sheridan, $100 Dean’s Award; Kevin Mayfield of Midland, Mich., $75 Graduate Award; and J. Todd Allison of Austin, Texas, and Geof Galbraith of Laramie, each $50 honorable mentions.
