Library of Medicine

25 September 69

Dear Medical Library Colleague:

Two meetings on medical librarianship are to be held in St Louis on December 4-5, 1969. You are cordially invited to attend. We would appreciate it if you will extend this invitation to medical librarians in your area who may not have received this mailing.

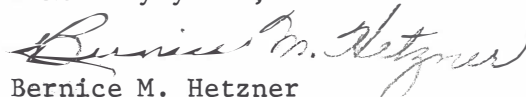

The program for the meeting is attached. The schedule has been planned so that those living at a distance may travel to St Louis on Thursday morning, with Friday afternoon available for the return journey. For your convenience, a list of accomodations is enclosed.

Since the original meeting in St Louis in April 1968, and the second meeting in Kansas City in November 1968, the Central States Regional Medical Library Group (Utah, Wyoming, Colorado, North Dakota, South Dakota, Nebraska, Kansas, and Missouri) has made real progress in forwarding the formation of a Regional Medical Library service for this eight state area. We are sure you will want to hear reports on the status of the RML, and learn how you can participate in its important programs soon to be undertaken.

This is a meeting for all medical librarians in the area. If your library is not already a member of the CSRMLG, we will be glad to have a note from the Chief Librarian indicating that the library wishes to become a member.

See you in St Louis!

Sincerely yours,

Bernice M. Hetzner
Secretary-Treas, CSRMLG
