REPORT OF THE WILLOW RUN CLAIM

The Willow Run claim, survey No. 629, consisting of 5 acres, has had a small amount of development work done on it. The claim is situated on Sugar Leaf Mountain in Boulder County, Colorado. A mill is located near a small stream and about one and a half miles from the mine. There is an ample supply of timber on the claim. The vein is a fissure vein in a granite formation. The following is an assay report of the ore in the vein.
