

CONTENTS

HIGHLIGHTS . . . . .	A-1
STATUS OF SYNFUELS PROJECTS . . . . .	B-1
COMING EVENTS . . . . .	C-1
RECENT PUBLICATIONS . . . . .	D-1

I. SYNFUELS: GENERAL

FORECASTS	
Fate of President Carter's National Energy Plan Still Uncertain . . . . .	1-1
Trilateral Commission Reports on Future Energy Issues . . . . .	1-2
EPRI Study Predicts No Severe Oil Crises in This Century . . . . .	1-4
General Motors Studies Alternative Fuels for Autos Beyond 1990 . . . . .	1-5
ENVIRONMENT	
Snail Darter Decision Illustrates Power of Environmental Protectionists . . . . .	1-8
EPA Promulgates Final PSD Regulations With Major Revisions . . . . .	1-10
ECONOMICS	
Phillips Presented "Government Impact Statement" to it Stockholders . . . . .	1-13
FERC Approves Gas Surcharge to Fund Gas Research Institute . . . . .	1-13
WATER	
President's Water Policy Revisions Foster Continued War in the West . . . . .	1-14
Supreme Court Spells Out Federal Rights to Water in National Forests . . . . .	1-14
States May Impose Conditions Upon Storage and Use of Water in Federal Reclamation Projects . . . . .	1-15
Senate Reacts Angrily to Environmentalists' Suit to Halt All Water Projects in Entire Colorado River Basin . . . . .	1-15
GOVERNMENT	
H.R. 12476 Would Require Economic Impact Statement for all Proposed Federal Regulations . . . . .	1-17
S. 2899 Would Amend the Endangered Species Act . . . . .	1-17
DOE Budget Will Determine Synfuels Progress in 1979 . . . . .	1-17
Texas Notes Montana's 30% Severance Tax on Exported Coal . . . . .	1-18
DOE Hopes to Complete Revision of National Energy Supply Strategy (NESS) This Fall . . . . .	1-18
U.S. Government Synfuels Procurement Notices Listed . . . . .	1-19
U.S. Government Synfuels Contract Awards Listed . . . . .	1-22

II. OIL SHALE

TECHNOLOGY	
Chevron Reports Test Results and Costs for Refining Shale Oil . . . . .	2-1
IGT Conducts Survey of Eastern Oil Shale Deposits . . . . .	2-10
ARCO Shale Oil Upgrading Process is Ready for Commercial Application . . . . .	2-12
GOVERNMENT	
California Agency Issues Oil Shale Report . . . . .	2-14
Navy Awards Contracts for Refining 100,000 Bbls Shale Oil . . . . .	2-16
USBM Establishes Oil Shale Data Bank . . . . .	2-16
Colorado Oil Shale/Shale Oil Severance Tax Form is Reproduced . . . . .	2-16
CORPORATIONS	
TRW Team is Awarded Naval Oil Shale Reserves Contract . . . . .	2-19
C-b Oil Shale Venture Extends Schedule for Commercial Production . . . . .	2-21
ENVIRONMENT	
Shale Oil is Reported for Toxic Substances Control Act . . . . .	2-26
Union, Colony, and Paraho Apply for PSD Permits . . . . .	2-26
EPA Reports Results of Spent Shale Revegetation Study . . . . .	2-26
Pollutants from Oil Shale Processing Quantified in EPA Report . . . . .	2-29
OSEAP to Have New Charter by October 1 . . . . .	2-30
State of Colorado Updates Listing of all Water Rights in Oil Shale Area . . . . .	2-31
Court Issues Summary Judgment, 1973 Prototype Lease EIS is Sufficient . . . . .	2-31
FOREIGN	
Australian Shale Oil Plant is Considered . . . . .	2-32
Preliminary Oil Shale Agreement Set Between Morocco and Oxy . . . . .	2-32

LAND	
Devonian Black Shales of Appalachian Basin Being Mapped by USGS . . . . .	2-33
Appeals Court Rules in Utah's Favor on "In Lieu" Oil Shale Lands . . . . .	2-33
Colony/BLM Reach Land Exchange Agreement . . . . .	2-34
Utah Approves 11,900 Acres of Oil Shale Leases . . . . .	2-34
Status of Oil Shale Legal Proceedings Noted . . . . .	2-37

### III. OIL SANDS

CORPORATIONS	
Shell Consortium Actively Pursuing Construction of Oil Sands Plant . . . . .	3-1
Worldwide Energy Announces Agreement with Sun Oil to Develop Cold Lake . . . . .	3-1
Mobil Oil to Undertake Heavy Oil Recovery Project . . . . .	3-1
Nominations for GCOS Syncrude Listed--GCOS Reports Profit . . . . .	3-2
First Production from Syncrude Ltd Enters Pipeline, Plant Soon to Open . . . . .	3-2
TECHNOLOGY	
CANMET Studies Nitrogenous Materials in Heavy Oils and Bitumen . . . . .	3-5
Bitumen Recovery Technique Requiring Little Water Developed at Utah University . . . . .	3-5
Texaco Patents Novel Oil Sands Separation Process . . . . .	3-6
Pilot Plant to Test Taciuk Process Now Finished . . . . .	3-7
Consortium to Test Mine-Assisted In Situ Recovery Technique . . . . .	3-8
Novel Oil Sands Recovery Technique Soon to be Announced . . . . .	3-8
HRI Process Reduces Coking During Hydroconversion of Bitumen . . . . .	3-9
In Situ Fireflooding Effects on Minerals and Bitumen Discussed . . . . .	3-9

### IV. COAL

CORPORATIONS	
ANG Coal Gasification Project Adds Partners to Form Great Plains Gasification Associates . . . . .	4-1
Public Service of New Mexico Evaluating UCG in San Juan Basin . . . . .	4-1
Consumer Energy Corporation Plans Missouri Combined Cycle Facility . . . . .	4-2
Gulf and Southern Company Services Awarded Demonstration Contracts for SRC Modules . . . . .	4-4
TECHNOLOGY	
Effective Use of Hydrogen is Critical for Production of Synfuels from Coal . . . . .	4-8
Molten Salt Gasification PDU Nearing Completion . . . . .	4-9
Exxon Donor Solvent Process Reviewed . . . . .	4-9
LLL Plans Steam/Oxygen Gasification in Directionally-Drilled Well . . . . .	4-12
Texas Utilities Plans August Start-Up of UCG Project . . . . .	4-12
Combustion Characteristics of Low and Medium-BTU Gas Presented . . . . .	4-13
Westinghouse's Coal Gasification Work Described . . . . .	4-13
Gulf Reports on Progress for Underground Gasification of Steeply Dipping Coal Beds . . . . .	4-15
H-Coal Pilot Plant Testing Schedule Released . . . . .	4-17
Zinc Chloride Hydroliquefaction Process Produces High-Grade Gasoline . . . . .	4-19
LAND	
Court Ruling on Preference Right Leases Reviewed . . . . .	4-21
Indians Continue to Test Taxation Powers . . . . .	4-23
Western Land Activities Reported . . . . .	4-23
GOVERNMENT	
DOE Stops Funding on Steam-Iron Plant . . . . .	4-30
DOE Faces Difficult Decision on SNG Demonstration Projects . . . . .	4-30
Draft Regulations Implementing Surface Mining Control and Reclamation Act Issued . . . . .	4-31
Lawsuit Challenges Montana Coal Severance Tax . . . . .	4-32
ENVIRONMENT	
EPA's Activities in Coal Conversion Reviewed . . . . .	4-34
Draft EIS Released for Low-BTU Gasification Complex . . . . .	4-35
Environmental Regulations Affecting Coal Gasification Reviewed . . . . .	4-36
ECONOMICS	
Gulf Projects Cost of Medium-BTU Gas Lower Than Low-BTU Gas in UCG . . . . .	4-39
Illinois Coal Gasification Group Estimates Costs of Commercial COGAS Plant . . . . .	4-40
LETC Projects \$1.26/MM BTU for Low-BTU Gas from UCG . . . . .	4-40
Oxygen Production Costs Given . . . . .	4-44

FOREIGN  
British Government to Sponsor Coal Conversion Projects . . . . . 4-45

V. APPENDIX

Amended Filing for ANG Coal Gasification Project . . . . . 5-1  
Utah "In Lieu" Land Opinion . . . . . 5-37
