ANNOUNCEMENT

19TH ANNUAL COLORADO RIVER FORECAST COMMITTEE MEETING

The 1964 meeting of the Colorado River Forecast Committee will be held Wednesday, April 29, 1964, in Room 1016, Serra Building, First and Broadway, Los Angeles. The meeting will begin at 8:30 a.m. and will be concluded with a luncheon.

The meeting will take up the customary topics of current river flows, Lake Mead operations, and review of current conditions on the Colorado River watershed. In addition, a status report is scheduled concerning the results of the U. S. Supreme Court's decision and the proposed Pacific Southwest Water Plan.

Enclosed is a copy of the program, a list of Los Angeles hotels and motels, with a map showing their locations, and a form to be sent back confirming your attendance and noting whether you wish motel or hotel reservations.

Sincerely yours,

V. H. Lemons
Program Chairman
Colorado River Forecast Committee

Enclosures

COLORADO RIVER CRYSTAL BALL GAZERS' ASSOCIATION
1964 SESSION

"Forecasts" are to be made for the runoff of THE COLORADO RIVER AT GRAND CANYON gaging station for the period April 1 to July 31, inclusive, 1964, assuming no Colorado River Storage Project Reservoirs.

Entries should be submitted to the "Keeper of the Pot," no later than May 15, 1964. To be official, your entry must be accompanied by one genuine U. S. dollar (new ones accepted); checks should be made payable to Raymond Barsch. The pot will be split, as shown, between the three entrants whose forecasts are closest to the official runoff figure for the period as furnished by:

Mr. Horace Babcock, District Engineer
U. S. Geological Survey
Tucson, Arizona

First ........... 50 percent of pot
Second ........... 30 " " "
Third ........... 20 " " "

"Forecasts" submitted by mail should be addressed to:

Raymond Barsch
Water Supply Forecast and Snow Surveys Unit
Department of Water Resources
P. O. Box 388
Sacramento 2, California

(Keep this portion for your record.) My forecast is_______ acre-feet.
