

Photo reflections on the MOR2 project

Melinda Laituri

2015

Photos: M. Laituri

An incongruous memorial to the Beatles in Ulaanbaatar. A tribute not only to the Beatles but to that generation that listened to contraband music in the 1970s.

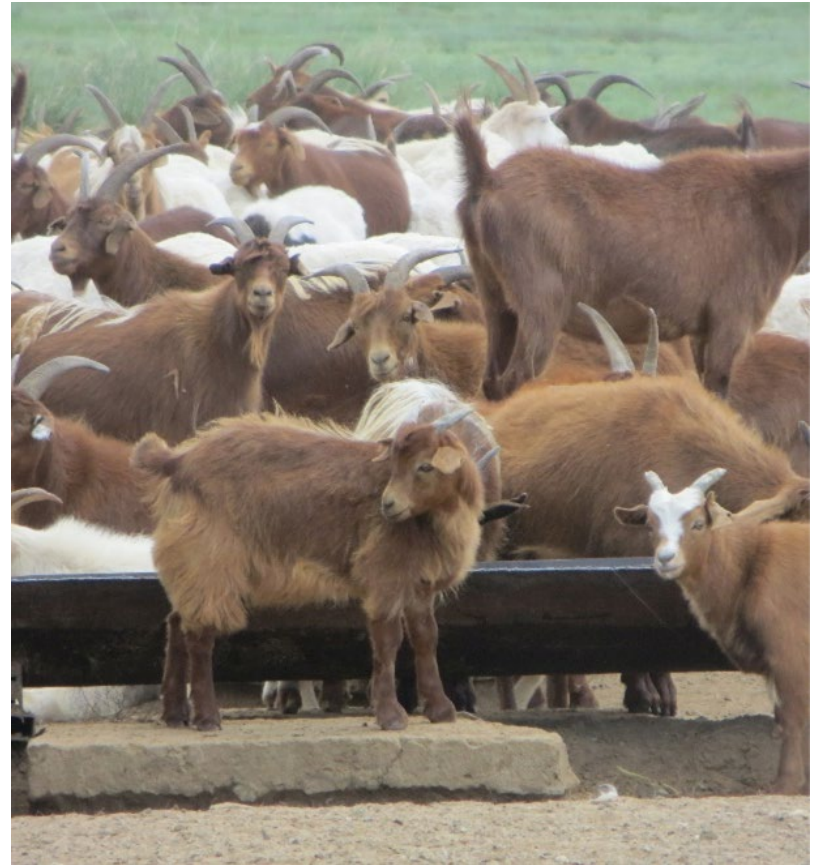

The Outhouse: be sure to
bring your own toilet paper.
This is a rather nice one.

The environment dominates,
making the human enterprise
appear puny in contrast.

The Five Snouts

- Field training: Understanding the building blocks of ecology and building cross-cultural friendships

•Participatory Map

Field work: Navigating with the map

- Participatory Mapping:
- Verification in the Field

- Summer Camp –
- Traditional ger

- Inside the ger

- Naadam Festival,
- 2012
