Friends of the UCA (University Center for the Arts)

Friends of the UCA is an initiative launched by the Department of Music to sustain and enhance the quality of education and the performing arts at Colorado State University. Funds are used for student international travel opportunities, scholarships, and the placement of high-quality instruments in every practice room and venue in the University Center for the Arts.

Friends of the UCA members not only receive the recognition they deserve, but they gain unprecedented access to the Department of Music at CSU. If you would like to become a Friends of the UCA member, or if you have any questions, please contact Marilyn Bistline at Marilyn.Bistline@colostate.edu or by phone at (970) 491-4030.

Thank you to the following Friends of the UCA members for becoming the first to partner with us in bringing quality music performances and education to the community.
