

Kimberly Perez

Fall Semester 2024

Capstone - Graphic Design

Department of Art & Art History

Artist Statement:

Kimberly Perez is an adventurous artist that strives to challenge artistic themes and enjoys discovering new styles. While she explores with mediums from painting, to fibers, she always keeps the essence of digital design alive within her work. She gathers inspiration from video games, natural environments, and whimsical fiction. Although she hyper focuses on cleanliness and clarity, she always makes sure to include some spunk to keep the audience captivated.
