Dear Mrs. Case,

Hi, thanks for letting us come to one west. It was fun. The stuff was really neat. I found out alot about different things in world war II. You were really pretty in your wedding picture. Your dress was really pretty too. I never knew about some of the stuff you showed us. The slides were really neat too. Thanks agion.

Sincerely,

Dear Mrs. Case,

Thank you for letting us come to One West Gallery. I enjoyed the display. I liked all the pictures, clothes, modles and info.

I like history and I'm thankful for people like you who care.

P.S. Thank you for singing us that song.
