

Week 4: Writing evidence-based policy recommendations

Background Articles:

1. Szablewski, C. M., Chang, K. T., Brown, M. M., Chu, V. T., Yousaf, A. R., Anyalechi, N., ... & Stewart, R. J. (2020). SARS-CoV-2 transmission and infection among attendees of an overnight camp—Georgia, June 2020. *Morbidity and Mortality Weekly Report*, 69(31), 1023.
2. Blaisdell, L. L., Cohn, W., Pavell, J. R., Rubin, D. S., & Vergales, J. E. (2020). Preventing and mitigating SARS-CoV-2 transmission—four overnight camps, Maine, June–August 2020. *Morbidity and Mortality Weekly Report*, 69(35), 1216.

Summer Camp Opening during the COVID-19 Pandemic

Instructions: You are an advisor to the Larimer County Health Department. You have been asked if it is safe to open overnight summer camps in the area. *What information or questions do you need to answer in order to make a recommendation?*

You have the two articles available to review. You are asked to make recommendations for risk mitigation for an overnight camp. *Write your risk mitigation strategy recommendations.*
