Dear Jan:

You have done it. Our membership drive this year has been a success! We are so very pleased with your response to the membership drive for the Gustafson Gallery. Curator, Linda Carlson, will be able to "go all out" for our educational programs this year without dipping into our finances from the fund raisers. Money from fund raisers is used to purchase items for maintaining and improving the garments in the collection, for displaying the artifacts and for improving and expanding the storage facilities.

Our dream is that in the future our wonderful collection will be included at the top of research facilities in the United States. To help with this dream, we need your assistance. This year we hope our members will become more active on committees. We have a Hospitality Committee which needs help with hostessing or refreshment preparation. Be in the thick with the Program Committee in planning and executing our next big major fund raiser in 1992. Get to know the collection by helping with maintenance and storage on the Volunteers Committee. We need your genius to enrich, cultivate and improve our collection.

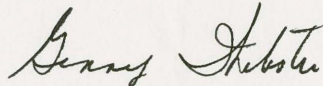

The Department of Design, Merchandising and Consumer Sciences at Colorado State University and the Friends of the Gustafson Gallery sincerely thanks you for your recent donation of \$40.00 to the historic costume collection and Gustafson Gallery. We are pleased to add your name to our list of "Friends".

We look forward to seeing you at Friends of the Gustafson Gallery activities.

Sincerely,

Antigone Kotsiopulos
