APPLICANTS REQUEST

I request cost-share assistance under the program to meet the objective described above. This practice would not be performed without Federal cost-sharing. If cost-sharing is approved for the practice requested, I agree to refund all or part of the funds paid to me as determined by the Approving Official, if, before expiration of the specified practice lifespan I, (a) destroy the approved practice, or (b) voluntarily relinquish control or title to the land on which the approved practice has been established and the new owner and/or operator of the land does not agree in writing to properly maintain the practice for the remainder of its lifespan. I have not yet started this practice, and except for ECP requests, I understand that if I begin the practice before receiving written approval I may be denied funding. I authorize a representative of USDA to have access to the practice site area. I understand that form "CONTINUATION FOR AD-245" is by reference incorporated herein.

Dear Jean:

Enclosed is the paperwork for Gene Gitin. He completed 4.4 acres of dwarf-mistletoe work. At \$200.00 per acre, that comes to \$880.00. The actual cost was \$2700.00.

His SIP-245, Page 2 is not in my files. I think he still has it. I sent him a reminder. If he can't find it, we may have to issue him another one.

Thanks,

Doug
