3 4 7 9 660 pruning	4 acres		300	300	

Total: 3,500

Request for cost-share assistance under this program is to meet the objective stated in the management plan. If cost-sharing is approved for the practice requested, I agree to cover expenses at the time of implementation, knowing I will be receiving cost-share funds not exceeding 50% of actual cost. **I understand that I will not be reimbursed for any expenses incurred prior to approval of my application.** Work must be completed according to approved plan and application, and must meet the standard set for each component. Practices must be maintained for a minimum of 10 years. There are no partial payments.

Program eligibility is without regard to race, color, religion, national origin, age, gender, sexual orientation, veteran status or disability. For more information contact your local Colorado State Forest Service District Office.

## FOREST LAND ENHANCEMENT PROGRAM PLAN DESIGN

Sketch project area and design. Include numbers, volumes, rows, lengths, species, etc., as appropriate. Include structures and landmarks. Indicate, by location, the practices to be implemented. Show distances. Illustrate road access. Use additional pages if needed for more detail.

T 7N

R 71W

Continue thinning along ridge line and adjacent slopes, as per past practices, to reduce fire potential and dwarf mistletoe.
