Dear Mr. Hall,

The land upon which there was a 50/50 FLEP Grant for this year is now solely owned by me and, regretfully, the help that I had lined up to accomplish the proposed thinning may not be able to do the work. I must, therefore, decline the grant for this year. I am hopeful that these funds can thereby be freed up and used for some other worthwhile project.

If you have any questions, please call me during the day at 970-407-6358.

Thank you,

Phyllis Perry, owner

Dear William and Phyllis:

This is a reminder that your Forest Land Enhancement Program (FLEP) grant project must be completed by September 15, 2004.

As you recall, the FLEP Grant requires a 50/50 fund match. In your original packet you received an Accomplishment Report for Reimbursement, a Cost Document form, and a W9. Upon completion of the practice, contact our office to schedule a final inspection. All costs and revenues must be documented on the above forms. The W9 must be completed and returned to assure reimbursement. Final reimbursement cannot be processed without completion of these forms.

If you will be unable to complete the project, please notify us as soon as possible, so that we may adjust your grant and reallocate the remaining funds to other projects.

If you have any questions, please call me at (970) 491-8839, or Mike Hughes (970) 491-8453, or the Fort Collins District office (970) 491-8660.

Sincerely,

Norland K. Hall

Mr. & Mrs. Perry,

Your Forest Land Enhancement Program (FLEP) grant application has been reviewed and funding approved as shown on the attached copy of your application. Our office received over \$120,000 in grant requests. Needless to say we were not able to fund all projects. In most cases, we were able to partially fund a project.

Before you begin project implementation please contact our office to schedule a site visit to review the project and accomplishment standards and expectations. We hope this alleviates any surprises when the final inspection is completed. Please review the attached standards prior to the site visit.

As you recall, the FLEP Grant requires a 50/50 fund match. The project must be completed by September 15, 2004. If it becomes apparent you will not be able to the project by this day, please contact our office as soon as possible.

Enclosed you will also find an Accomplishment Report for Reimbursement, a Cost Documentation form, and a W9. Upon completion of the practice contact our office to schedule a final inspection. All costs and revenues must be documented on the above forms. The W9 must be completed and returned to assure reimbursement. Final reimbursement cannot be processed without completion of these forms.

If you have any questions, please contact our office at (970) 491-8660.

Sincerely,
