Dear Gary,

I hope all is well. Enclosed is a copy of the signed *LICENSE TO ENTER UPON LAND AND RELEASE OF LIABILITY* for your files.

On another note, I have accepted a new position with the Colorado State Forest Service as the Fire Management Field Coordinator for northeastern Colorado. Wendy McCartney is my replacement and she will be responsible for the Stringtown project. I am completely confident that Wendy will see to it that the project is completed. I will continue to be available to help out Wendy if she needs it.

I have thoroughly enjoyed working with you and other property owners in Stringtown and, since I'll still be in Fort Collins, plan to touch base from time to time. Stringtown is a special place and I'm looking forward to helping Wendy complete the project.

As always, please give me a call if you have any questions.

Respectfully,

David A. Farmer

Re: Stringtown Gulch Project

Dear Gary,

Enclosed are three copies of the *License to Enter Upon Land and Release of Liability* for your review. This license is Colorado State University's updated landowner agreement and must be signed before we can proceed on the fuels treatment project. If all is agreeable, please sign and return all three copies to the address on this letterhead. I will send you a completed copy when all other signatures are acquired.

As soon as the agreement is signed, we will be able to pursue a contractor to complete the fuels treatment work. I sure hope we can get started this fall.

As always, if you have any questions please call me (970) 491-8445.

Sincerely,

David A. Farmer
