The Wind Ensemble, conducted by Wes Kenney, performs International Masterpieces of the wind world. From Stravinsky to Gustav Holst, the program is inspired by musical depth and genius.

The Symphonic Band, conducted by Christopher Nicholas, performs works by American composers including Frank Ticheli's *Angels in the Architecture*, inspired by the Sydney Opera House, and James Bonney's *Watercolors*, which has raised funds for *The Color of Water*, artists dedicated to water conservation.
