

## **Alyssa Montoya**

The goal of all of my pieces is to give it a short of cartoon like feature to it. I want to keep it fun and entertaining for the people who look at it. My goal is to get people involved and interested in my work. I don't want to be taken too seriously because I feel like it is better to be excited about something and have fun with it rather than be taken too seriously and not enjoy watching other people look at your pieces.

# THE OF DEAD

Figure 2: Theory of a Deadman.

Keep the bad guys away. With Bruce Wayne and the **Bat Party** he will work to improve the streets by adding better lighting, cleaning up the neighborhoods and making sure he can keep an eye on the streets. He will also be starting neighborhood watch programs and training everyone in self defense.

**Stop living in fear-Vote Bat Party**

Figure 3: Batman Ad.

# EDUCATION IS POWER

Every child should have the option to improve their knowledge. They should go to the college of their choice. Bruce Wayne wants you to be able to receive the education you deserve and choose the school you want. Let your knowledge build and don't worry that you can't afford it. Bruce Wayne wants to make that happen for you.

More doors=more opportunities- **Vote Bat Party**

Look for the Bat Party ads and posters

Figure 6: Batman Website.

Figure 7: Batman Spotlight.

The poster features a light pink background with a pattern of dark red and white oval shapes, resembling blood cells. A dark red vertical bar is on the right side. A diagonal band of dark red and red shapes cuts across the bottom half. The text is arranged in a clear hierarchy: the event name at the top, the title on the diagonal band, the date and location in the bottom left, and the program directors and university information at the bottom.

12th Annual Research Colloquium

**CARDIOVASCULAR RESEARCH AT CSU:  
MOLECULES, MODELS & MANKIND**

April 4-5, 2013  
Hilton Fort Collins  
Fort Collins, CO

Program Directors: Frank Dinunno & Scott Earley

Colorado State University
