Dear Jean:

Enclosed is the paperwork for Ken Fitchl's woodland improvement. Rich didn't leave me much in the way of records to go on, so I'm doing some guessing in approving it. At any rate, it's approved.

Thanks for your help. If you have any questions, please call.

Sincerely,

Douglas J. Stevenson

Dear Ken:

This is a reminder that the \$93.75 for the chipping has not yet been paid. Please send a check for that amount, payable to the Colorado State Forest Service, to me at this address.

If you have any questions, please call.

Sincerely,

Douglas J. Stevenson

Dear Ken:

We have cleared the last paperwork hurdle on the cost-sharing money. You should be getting your check within six weeks, probably three or four.

I'm not going to bother drawing up a plan for the property. At this point, it would do no good, be a lot of bother and cost another \$100. If you ever want cost-sharing in the future, we can see about it then.

Also enclosed is an invoice for the chipping. That amount (\$93.75) is now due, though I won't have any problems if you wait until after the cost-share check arrives to pay it.

Sorry about all the mix-up and delays you've had over this. I hope we've finally got it straightened out.

Sincerely,

Douglas J. Stevenson
