LICENSE TO ENTER UPON LAND AND RELEASE OF LIABILITY
FOUR MILE FIRE PROTECTION DISTRICT
DEFENSIBLE SPACE AND HAZARDOUS FUELS REDUCTION GRANT PROGRAM

THIS LICENSE TO ENTER UPON LAND AND RELEASE OF LIABILITY is an agreement entered into by and between ROBERT SUTTON (Licensor name) and Four Mile Fire Protection District and its Fire Crew (hereinafter referred to as "FMFPD").

WHEREAS, FMFPD has requested access to and the right to enter upon the land described herein below (the "Property"), for the purposes described below that are related to the FMFPD's mission; and

WHEREAS, Licensor is the owner of the Property, or of the current right to occupancy thereof, and has the right to grant a license to enter upon the Property for the purposes described herein, and desires to grant such right to FMFPD upon the terms and conditions set forth in this Agreement;

NOW, therefore, in consideration of the mutual promises and covenants contained herein, receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows.

- A. License Grant. The Licensor grants to FMFPD, its employees and authorized volunteers, contractors and subcontractors, acting within the scope of their employment or contract (collectively, the "Licensees"), a non-exclusive, paid-up license to enter upon the Property during the term hereof, without prior notice, for the purposes described below. Licensor may revoke such license at any time by written notice to FMFPD in accordance with the Notice provisions herein. Said license is subject to the following terms and conditions:
1. Description of Property. This License concerns the following Property: [enter street address and/or legal description of property to be accessed]
7850 4 MILE CANYON DR.
BOULDER, CO. 80302
 2. Effective Dates. This License shall be effective beginning on **May 2, 2016** and shall terminate on **March 31, 2018**. The parties may by mutual agreement extend the term of this License as necessary to permit the purposes and activities for which it is granted to be completed.
 3. Purpose. This agreement applies to FMFPD for the purpose of conducting the following activities: Property flagging, tree marking, geographic information system (GIS) data collection and map creation, vegetation/timber thinning and removal, slash wood chipping, biomass hauling.
- B. Release of Liability. FMFPD hereby releases the Licensor from all liability or responsibility for injury that the Licensees, or any of them, may suffer as a result of or in connection with his/her entering upon the Property (except for injuries caused by the negligent or intentional acts of the Licensor).
- C. Liability of Licensee. The Parties understand and agree that the liability of the FMFPD is at all times herein governed and controlled by the Colorado Governmental Immunity Act, C.R.S. sections 24-10-101, et seq. (as now or hereafter amended), and that contractors to FMFPD that are not themselves governmental entities may not be protected under said Act. Contractors shall be required

to provide reasonable proof of general liability insurance, prior to undertaking work for FMFPD on the Property.

D. Additional Terms and Conditions.

1. Notices. All notices required to be given under this License shall be deemed given when actually delivered to the designated representative(s) of the party to be given notice by (i) certified mail, return receipt; or (ii) by hand delivery or courier service, if a signed receipt is obtained upon delivery; or (iii) by facsimile transmission, if confirmation of receipt of the transmission is obtained. A party may change its designated representative(s) or address at any time by written notice in the same manner as for any other notice. The initial representatives of the parties shall be the persons whose names and addresses are:

FMFPD:

Zach Littlefield
Four Mile Fire Protection District
1740 Fourmile Canyon Dr.
Boulder, CO 80302

LICENSOR:

ROBERT GILSON
7850 4 Mile Canyon Dr
Boulder, Co.
80302

2. Non-Assignment. Except as specifically permitted under section A herein above, FMFPD shall not transfer, assign, or otherwise convey the rights granted in this agreement to any other person or party without the express prior written consent of the Licensor(s). Any such conveyance in violation of this paragraph shall be null and void.
3. Legal Authority. The Licensor warrants he/she/it possesses the legal authority to enter into this License and has taken all actions required by its procedures, bylaws, and/or applicable law to exercise that authority, and to lawfully authorize its undersigned signatory to execute this License and to bind the Licensor to its terms. The person(s) executing this License on behalf of the Licensor warrant(s) that such person(s) have full authorization to execute this License.
4. Non-Assignment. Licensor shall not assign or sublicense any of its obligations under this License without the advance written consent of FMFPD. Any unauthorized assignment shall be void. FMFPD shall have the right, but not the obligation to terminate this License, without waiver of any other right or remedy, upon notice of Licensor's assignment or sublicense in violation of this section.
5. Binding effect. This License is binding upon the heirs, personal representatives, successors, and permitted assigns of both parties.
6. Entire Agreement. This License including the exhibits incorporated herein by reference constitutes the entire agreement between the parties, and supersedes any previous contracts, understandings, or agreements of the parties, whether verbal or written, concerning the subject matter of this License.
7. Amendment. No modification or amendment to this License shall be valid unless it is made in a writing signed by the authorized representatives of the parties.
8. Waiver. The waiver by either party of a breach or violation of any provision of this License shall not operate as or be construed to be a waiver of any subsequent breach of the same or other provision hereof.

E. Disclaimer I have read and understand the following Disclaimer:

While the purpose of the wildfire mitigation is to reduce the risk of fire damage to your home or property, wildfire mitigation treatment does not guarantee prevention of such damage.

Wildfire mitigation treatment around your home can give firefighters the best chance to defend and protect your property from wildfires, and can also substantially increase your safety and reduce the risk to life and property. However, wildfire is unpredictable and can be impossible to stop or control, regardless of what mitigation efforts you have taken. FMFPD makes no warranties, guarantees or representations of any kind with respect to the effectiveness of any mitigation treatment specified in this document.

F. Acknowledgements I acknowledge that the work described in this document is grant funded. In the event of funding loss or shortfall for any reason, FMFPD is under no obligation to perform or complete any of the activities described in this document. Furthermore, FMFPD may elect to cease any and all activities on the property identified in this document for any reason, at any time.

G. Biomass Utilization The bole wood (logs) generated from the activities described in this document may be hauled away for biomass utilization or may be left on site for utilization by the licensor for firewood or other purposes. Please indicate your preference below:

I would like all bole wood to be removed from my property.

I would like all bole wood to remain on my property.

THE PARTIES HERETO HAVE EXECUTED THIS CONTRACT
