Sponsored by Bohemian Foundation

CSU and Bohemian Foundation partner for Contemporary Music Series

The Contemporary Artist Music Series was created to expose our students to different models of success in the music world and to help bridge the gap between Classical and Contemporary music for audience members. The opportunity to hear Contemporary music in traditional Classical performance venues will be fascinating.

- Todd Queen, Chair, Department of Music, Theatre and Dance

This series is an exciting way to feature local musicians and CSU alumni in an intimate setting. In furtherance of Bohemian Foundation's music mission, we support this series as a means of increasing the amount of live contemporary music performances in Fort Collins and encouraging audience and community support of local musicians.

- Kristen Karabensh, Director of Music Programs, Bohemian Foundation
