

Friends of the UCA is an initiative launched by the Department of Music, Theatre and Dance to sustain and enhance the quality of education and the performing arts at Colorado State University. Funds are used to bring quality performances to the community and are also used for student international travel opportunities, scholarships, and the placement of high-quality instruments in every practice room and venue in the University Center for the Arts.

Friends of the UCA members not only receive the recognition they deserve, but they gain unprecedented access to the Department of Music, Theatre and Dance at CSU.
