3	<b>Requested Grant Amount / Project Description</b>	
	All information for the project must fit into the space provided below. The review committee will not consider attachments.	
	<b>Dollar Amount Requested \$ 1,500</b>	<b>Projected Match \$ 2,500</b>
	<b>Will this Project be conducted as a Pass-Through Grant? Yes</b>	
	<b>Provide a brief overview of the project and the project area. (If applying for a fuels reduction project, identify vegetation types)</b>	
	<p>Glen Haven is a small mountain community located in Devil's Gulch Canyon northeast of Estes Park on Devil's Gulch Road (CR 43) in Larimer County, Colorado. The community is surrounded primarily by USFS land. The Glen Haven Retreat CWPP was completed in 2007 and a copy of the plan is on file with the CSFS Fort Collins District. The CWPP identifies creating and maintaining defensible space around homes as the number one priority for the community. The Glen Haven area has been identified as "high risk" for wildfire.</p> <p>Vegetation in the area is mixed with primarily lodgepole pine, Douglas-fir, blue spruce, and ponderosa pine. Stands are multi-storied with mostly closed canopies and basal area ranging from 80 to greater than 100 square feet per acre in most locations. Most homes are located on 1-1 ½ mile long dirt roads off of CR 43 and many properties have slopes of 30% or greater.</p>	

### Scope of Work / Project Timeline

All information for the project must fit into the space provided below. Attachments will not be considered by the review committee.

**Provide a brief scope of work that clearly describes how grant funds will be spent. (This should be more specific than the project description)**

4

The Glen Haven Association Volunteer Fire Department (GHAVFD) will assist interested individuals in assessing and marking defensible space around homes. Homeowners, community volunteers and the GHAVFD will cut trees and vegetation and haul slash to roadsides to create adequate defensible spaces using CSFS guidelines around a minimum of four homes. Depending on interest from homeowners, more defensible-spaces and fuels work may be completed with in-kind contributions. Grant money will be used to hire a contractor to chip materials and broadcast chips onto the ground.

**Describe all planned long-term maintenance (grant funded or other).**

It will be the responsibility of individual homeowners to maintain defensible space and follow other Firewise concepts to protect homes. The GHAVFD and Larimer County Wildfire Specialist will continue to provide advice and assistance with defensible space recommendations. The GHA community will continue educational efforts and plan to continue defensible space efforts.

**What is the duration of this project? (check one)** ☒ One Year ☐ Two Years

**Is this a continuing project from previous year/s? (check one)** ☒ Yes ☐ No

**Provide a timeline for the project**

Project will begin when cost-share funds are awarded with most of the work taking place in the spring and summer. All project activities will be complete in one year or less of the award date.

### Interagency Collaboration

**Specify the private, local, tribal, county, state, federal and/or non-governmental (501c3) organizations that will contribute to or participate in the completion of this project. Describe briefly the contributions each partner will make (i.e. – donating time/equipment, funding, etc.).**

5

Colorado State Forest Service-grant development and administration, meet with community and VFD members  
Larimer County Emergency services-training the GHAVFD, make recommendations to community members  
USFS- adjacent fuels treatments (identified in CWPP)

Glen Haven Association- time/labor, chainsaw mechanical use, related fuel, funds to purchase shipping services, time spent meeting and talking with agency reps and individual homeowners

Glen Haven Area Volunteer Fire Department: time/labor, time spent meeting/talking with agency reps, advice and guidance for completing the project

### Community Wildfire Protection Plan (CWPP)

**Does this community have a wildfire protection plan that follows the Healthy Forest Restoration Act CWPP guidelines? (check one)** ☒ yes ☐ no

**Is this project part of the plan? (check one)** ☒ yes ☐ no

*A copy of the plan must be submitted with this application, or on file with CSFS.*

6	<b>Project Category</b> (check all that apply and answer related questions)			
	Hazard Fuels Reduction <input checked="" type="checkbox"/>			
	Number of acres to be treated:	4	Estimated cost per acre:	1,000
	Number of communities directly affected by this project:		1	
	Information & Education <input checked="" type="checkbox"/>			
	Number of citizens to be reached:	4+		
	Planning <input type="checkbox"/>			
	Number of residences affected:			
	<b>Project Type</b> (check all that apply)			
	Assessment / Scoping:	<input type="checkbox"/>	Implementation / Treatment:	<input checked="" type="checkbox"/>
Homeowner / Community Action:	<input checked="" type="checkbox"/>	Monitoring / Evaluation:	<input type="checkbox"/>
