Dear Roger & Betty:

Your Landowner Assistance Program application has been reviewed. The amount approved is shown on the attached copy of your application. Our office received nearly \$90,000 in grant requests. We were only able to partially fund projects and some were not funded at all.

This grant requires a 50/50 fund match. The project must be completed September 1, 2008. If it becomes apparent you will not be able to complete the project by this day, please contact our office as soon as possible.

Enclosed you will also find an Accomplishment Report and a Cost Documentation form. Upon completion of the practice, contact our office to schedule a final inspection. All costs and revenues must be documented on these forms. Final reimbursement cannot be processed without completion of these forms.

If you have any questions or concerns, please call me at (970) 491-8453. Thank you for your interest in the stewardship of your forest and in our Landowner Assistance Program.

Sincerely,
