(Need to speak w Pingree Staff re: cutting 4-5 trees to provide access into block 1B. Just above bridge).			
Meets contract specs	✓		

David A Farmer
Inspecting Forester

3-15-95
Date

NOTE: Trailer has been removed @ trees near Columbine Cabin need to be picked up.

Other comments: * Currently high in spots; should be satisfactory after areas are completed
** Contractor appears to be hopping around too much. Need to speak w Alvin about completing an area before moving on.

Other comments: ① Alvin agreed to pick up posts he cut near Columbine Cabin. Also will clean up (log + scatter) any slash, etc.
② Alvin agreed to remove trailer from Pingree property by Friday March 10, 1995. Will be moving to Tom Bennett
CG: OK'd to Pete Jobson
Overall, Alvin is doing a good job. USFS.

Alvin is harvesting posts or poles depending on market prices, etc. One day will cut larger stems for posts; next day smaller stems for poles. Hauling some to United Wood Products (Longmont)			
Meets contract specs	✓		

Per Bill B.
phone conversation
3/2/95:

David A. Farmer 2-27-95
Inspecting Forester Date

- Other comments: ① Approximately 12 trees cut near Columbin Cabin which were outside of sale area. I requested Alvin leave these for the time being.
- ② OK for Alvin to clean up & remove → NO CHARGE
- ③ Must get trailer out! ② Alvin has moved in a small camper/trailer. Floyd and Kenny Rollins are staying there. Must check with Pingree staff to get OK.
